Re: 2023 Jim Craig Stark County Track & Field Championships

Attention Stark County Athletic Directors and Track Coaches,

This is your letter informing you of the **2023 Jim Craig Stark County Track and Field Championships** to be held at the **Perry High School Track Facility on Saturday, April 22, 2023 starting at 8:30am**. Please forward the meet information to your track coaches.

Just like last year, we will not be running 200m preliminary sections early in the meet. We will contest the 200m as a timed final in the normal order of events, with the fastest entries in the last section. Because of this, it is imperative that all coaches submit appropriate times for their athletes in all races. The 100m dash and 100/110m high hurdles will have a preliminary round.

Please note, that there is a **\$200.00 per team entry fee to this year's meet and \$400.00 for both a girls and boys team**. Entry Fee's are requested by *check payable to Perry Adult Booster Club with Track & Field in the memo*. We will once again be awarding 1st through 8th overall places individually with medals. There will also be team awards to the top 3 **overall** finishing schools and top 2 Division 2/3 schools. We will score the Division 2/3 separately, pulling FAT times and distances in preliminaries when needed to score 8 deep in Division 2/3.

In addition to the above awards, we are also awarding individual MVP awards for this year's meet. MVP awards will be given to a boy and girl in distance (800, 1600, 3200, 4X400 and 4X800), sprints (100, 200, 400, 110H, 300H, 4X100, 4X200 and 4X400) and field (HJ, LJ, PV, SP, Disc). The winner of each award will be determined by athletes that score the most points in each category (distance, sprints, and field). We are hoping this allows us to showcase the efforts of our athletes in the different disciplines of track and field. Relay points will be evenly distributed to each member of the relay team.

If you have any updated school records from this past season, please email those to jp.sexton@perrylocal.org, so we can get them updated for the county meet program. These are the current records that we have for each school: <https://bit.ly/starkschoolrecords>

Entries will be collected via Milesplit, with the entry window closing on Friday, April 21st at 2:00pm. Scratches and substitutions will take place on the day of the meet.

If you have any questions please let me know.

Thank you,
